## NOTES

### Treatment Guarantee/Pre-authorisation

Treatment Guarantee/Pre-authorisation is a process whereby we guarantee cover for certain treatment and costs, as indicated in the Table of Benefits with a **1** or a **2**. If Treatment Guarantee is not obtained for the benefits listed with a **1**, we reserve the right to decline your claim. If the treatment is subsequently proven to be medically necessary, we will only pay **80%** of the eligible benefit, and for those listed with a **2**, we will only pay **50%** of the eligible benefit. For further details please refer to the "How to Claim" Section of our Benefit Guide, or simply contact our Helpline.

### Chronic Conditions

Chronic conditions that arise after policy commencement date are covered within the limits of your policy. Please refer to the definitions section of our Benefit Guide for further information or simply contact our Helpline.

### Pre-existing Conditions

Pre-existing conditions (including any pre-existing Chronic Conditions) are covered under the terms of your policy, unless indicated otherwise in a Special Conditions Form enclosed. Please note that any pre-existing conditions that were not declared by you on the Application Form will

not be covered. In addition, conditions arising between signing the Application Form and confirmation of acceptance by the Underwriting Department of Allianz Worldwide Care will equally be deemed to be pre-existing, and if not declared to us will not be covered.

For further details, please refer to the "Definitions" section of our Benefit Guide or simply contact our Helpline.

#### **Benefit limits**

There are two kinds of benefit limits shown in the Table of Benefits. The **maximum plan benefit**, which applies to certain plans, is the maximum we will pay for all benefits in total, per member, per Insurance Year, under that particular plan. Some benefits also have a **specific benefit limit**, for example "Nursing at home or in a convalescent home". Specific benefit limits may be provided on a "per Insurance Year" basis, a "per lifetime" basis or on a "per event" basis, such as per trip, per visit or per pregnancy. In some instances we will pay a percentage of the costs for the specific benefit e.g. "65% refund, up to EUR 5,000". Where a specific benefit limit applies or where the term "Full refund" appears next to certain benefits, the refund is subject to the maximum plan benefit, if one applies to your plan(s).

#### **Policy Terms and Conditions**

The Table of Benefits provides an outline of the cover we offer under your policy. Please note that cover is subject to our standard policy definitions, limitations and exclusions. These are detailed in our Benefit Guide, which is issued to you upon policy inception. Our current Benefit Guide can also be downloaded from our website [www.allianzworldwidecare.com](http://www.allianzworldwidecare.com)

#### **Policy Endorsement(s)**

If there are any policy terms and conditions unique to your policy they will be listed below. Please read carefully in conjunction with our Benefit Guide.
